new SPA TREATMENTS

LUMECCA

by INMODE

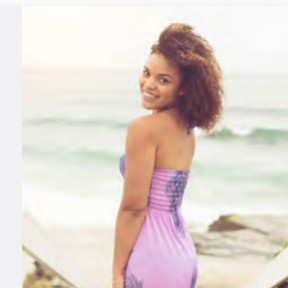

CLEAR, BEAUTIFUL SKIN IN 10 DAYS

SKIN RENEWAL & CLARITY

The most powerful treatment to treat sun damaged and pigmented skin. Lumecca is a breakthrough IPL therapy that delivers a powerful and effective treatment to reduce and remove specific pigments in the skin, from redness and spider veins to discoloured patches. This popular anti-aging treatment is a quick treatment with visible results after the first one to two sessions.

A fast and gentle way to reverse the signs of aging, firm and tighten the skin. Forma uses radiofrequency technology to provide skin contraction in the deep layers of your skin. Radiofrequency energy has been shown to stimulate the formation of new collagen and elastin in the dermis and improve skin quality and thickness for long-lasting improvement of your skin's appearance.

THERMAL REMODELING

BODY fx

by INMODE

NON-INVASIVE BODY & CELLULITE TREATMENT

BODY REMODELING

One of the most effective body shaping systems for those looking to firm and tighten their entire body. Body FX is a new, long lasting, non-invasive solution to reduce the unsightly appearance of cellulite leading to improvements in your body contour. It is a non-surgical fat reduction and destruction treatment which is an alternative to liposuction.

“Is your skin feeling ravaged by the sun, worn out from life or simply in need of refresh? Is your jawline softer than before; and double chin creeping in? If so, Morpheus8 might be the MOT your face has been looking for”

Tatler Beauty & Cosmetic Surgery Guide 2020
